This Cardholder Agreement is between you and The Toronto-Dominion Bank (the **Bank, we, us** or **our**). It applies to the Card and the Account including when you use the Card or Account.

When you sign, activate or use the Card or the Account, it means that you have received and read both this Cardholder Agreement and the Disclosure Statement that together form the Agreement between you and the Bank.

We may send you changes or replacements for this Agreement from time to time. This Agreement replaces any previous Agreement between you and the Bank.

1. DEFINITIONS

What these **key words** mean in this Agreement:

Account means the credit card account we open and maintain for the Card.

Agreement means this Cardholder Agreement, the Disclosure Statement for the Account and the TD Cash Back Program Terms and Conditions.

Authorized User means a person that we issue a Card to at the request of the Primary Cardholder.

Available Credit means the amount of credit that is available to you at any time on the Account. It is the positive difference between the Credit Limit and the Balance that is owed on the Account.

Balance means the total amount of all Transactions, fees, interest and other amounts charged to the Account under this Agreement, less any payments or other credits posted to your Account.

Balance Transfer means a Transaction where you request us to transfer any balance that is owed on another credit card account to the Account. The other credit card account cannot be an account with the Bank. A Balance Transfer is treated as a Cash Advance. We may offer you a promotional interest rate on a Balance Transfer, but if we do not, then the annual interest rate that applies on the Account for Cash Advances applies to that Balance Transfer. If you accept a promotional offer on a Balance Transfer, this Agreement will continue to apply to that Balance Transfer and any additional terms we set out in the promotional offer will also apply to that Balance Transfer.

Card means the credit card for the Account that we issue to you or any renewal or replacement of that credit card.

Cardholder means the Primary Cardholder and any Authorized User.

Cash Advance means a Transaction where you withdraw cash from the Account including through:

- any device such as an automated teller machine (**ATM**), phone, online or mobile device;
- our branches and at other financial institutions;
- a Balance Transfer;
- a TD *Visa* Cheque; or
- a Cash-Like Transaction.

Cash-Like Transaction means a Transaction to purchase items that are similar to and can be converted into cash. Cash-Like Transactions include casino gaming chips, money orders, wire transfers, travellers cheques and gaming transactions (including betting, off-track betting and race track wagers).

Disclosure Statement means the document that we provide to you with the Card that discloses information about the Card and the Account, additional to what is in the Cardholder Agreement, including interest rates and fees.

Payment Due Date means the date on which your payment is due as shown on the statement for the Account.

Primary Cardholder means the person who applied for a Card, whose name is on the Account and who a Card is issued to.

Purchase means any Transaction other than a Cash Advance.

TD Visa Cheque means a credit card cheque we may issue to you, with your consent, that you can use to: (i) pay for goods and services with your Card; or (ii) transfer any balance on another credit card account to this Account. The other credit card cannot be an account you have with the Bank. We may offer you a promotional interest rate on your TD Visa Cheque, but if we do not, then the annual interest rate that applies on the Account for Cash Advances applies to your TD Visa Cheque. If you accept a promotional offer on a TD Visa Cheque, this Agreement will continue to apply to that TD Visa Cheque and any additional terms we set out in the promotional offer will also apply to that TD Visa Cheque.

Transaction means any use of a Card or the Account to purchase goods or services or make any other charges to the Account including a Purchase or Cash Advance.

You or **your** means each Cardholder or an Authorized User.

2. USING THE ACCOUNT

You may use the Account for:

- Purchases;
- Cash Advances;
- Access to your other accounts at the Bank or our affiliates; and
- Any other purpose that we agree to.

The Primary Cardholder is responsible for and must pay us the Balance on the Account. If you want another Cardholder or any other person to repay you for any amount paid or owing on the Account, it is your responsibility, not the Bank's, to make the appropriate arrangements with that Cardholder or other person.

You must not allow any person other than a Cardholder to use the Account. If a Cardholder lets someone else use the Account or a Card, you are still responsible for any use of the Account or a Card, even if a Cardholder wanted to limit that use.

We can let any Cardholder give us instructions for the Account without the approval of or notice to the other Cardholders. The Primary Cardholder can request us to issue a Card to any person without notice to any other person. We may limit the number of Cards issued on the Account.

When you pay for goods and services using your Card number without using your Card or entering your PIN (for example by mail, telephone, Internet, mobile or any other electronic method), we will treat that use the same as if you had shown your Card.

You may not use the Card before the *valid from* date or after the expiry date shown on the Card. However, if any amounts are charged to the Account before the *valid from* date or after the expiry date, the Primary Cardholder is responsible for, and must pay us those amounts.

We can stop providing TD *Visa* Cheques at any time. We can also refuse to process any TD *Visa* Cheque. We do not allow stop payments on TD *Visa* Cheques.

If you use the Card outside of Canada to withdraw cash from the Bank or with our affiliates, the withdrawal may be treated as a Cash Advance from the Account, rather than a cash withdrawal from your other account because of certain limitations in some countries.

You agree not to use the Card or the Account for anything illegal or fraudulent.

We may block use of the Card or the Account without telling you in advance if we suspect illegal, unauthorized or fraudulent use of the Account. This includes transactions relating to Internet gambling or where we have any other reasonable grounds to do so.

You agree you will use the Card or the Account for personal, family or household purposes and not for business purposes.

You should be aware that under U.S. Office of Foreign Asset Control (OFAC) regulations, customers who are U.S. Citizens are subject to regulations that limit the use of their Cards in certain jurisdictions sanctioned by OFAC, and that similar regulations may exist in other jurisdictions that apply to their citizens.

3. UNAUTHORIZED TRANSACTIONS

You are not responsible for unauthorized Transactions. A Transaction is considered an “unauthorized Transaction” if we complete an investigation and determine that:

- The Account was used by someone other than you;
- You did not receive any benefit from the Transaction;
- You co-operated fully with us in our investigation; *and*
- You followed your responsibilities under this Agreement, including in these sections:
 - i. **“Unauthorized Transactions”** ,
 - ii. **“Using the Account”**
 - iii. **“Electronic Services; Use and Protection of a Card, PIN or Password”**, *and*
 - iv. **“Lost or Stolen Cards”**.

You are also not responsible for any Transactions made on the Account that occur *after* you promptly tell us that a Card has been lost or stolen because we will also consider them unauthorized Transactions.

4. CREDIT LIMIT AND OVERLIMIT

We set the maximum amount that you can charge to the Account (the **Credit Limit**).

The initial Credit Limit is on the Disclosure Statement. We may lower the Credit Limit at any time without telling you in advance. We will not increase the Credit Limit unless we first obtain the express consent of the Primary Cardholder to do so. We display the Available Credit on the statement. Your Available Credit may not be up to date at all times, including if a payment or other Transaction has not yet been processed or posted to the Account. Some merchants may pre-authorize the amount or estimated amount of a Purchase and that will reduce the Available Credit.

We can allow any Transaction or the Balance to exceed the Credit Limit without telling you first, but we are not required to do so even if we have done so before.

If we allow any Transaction or the Balance to exceed the Credit Limit, the Primary Cardholder is responsible for, and must pay, the amount that exceeds the Credit Limit on or before the Payment Due Date.

The Account may be charged an overlimit fee, as shown on the Disclosure Statement. Only one overlimit fee is charged per statement period. The Primary Cardholder must pay the Balance owing on the Account, whether or not it exceeds the Credit Limit.

5. MINIMUM PAYMENT

You must pay at least the Minimum Payment shown on your statement on or before each Payment Due Date. We calculate the minimum payment as described in the Disclosure Statement.

6. PAYMENT DUE DATE

The Payment Due Date is shown on your statement. It is always at least 21 days from your Statement Date. This time period may extend depending on your payment activity. For example, if we do not receive payment of the Balance shown on your statement on or before the Payment Due Date, the Payment Due Date on your next statement will be 25 days after your Statement Date. **Any interest still applies during this period.** When we receive payment in full of your Balance on or before the Payment Due Date, the number of days between the Statement Date and the Payment Due Date on your next statement will revert back to your standard Grace Period (the Grace Period is defined below). If the Payment Due Date falls on a Saturday, Sunday or holiday in Canada, we will extend the Payment Due Date to the following business day. **Any interest still applies during this period.**

7. GRACE PERIOD AND INTEREST

Grace Period

The grace period starts on the day after your Statement Date and ends on your Payment Due Date ("**Grace Period**"). You have a Grace Period of at least 21 days to make your payment.

Interest-Free Grace Period on New Purchases and Fees

We will not charge interest on new Purchases and fees that appear for the first time on your statement (“**New Purchases**”) as long as we receive payment of the Balance shown on your statement on or before your Payment Due Date. If you pay an amount that is less than your Balance shown on your statement, then we will charge interest on those New Purchases starting from their transaction date until the amount of those New Purchases is paid in full.

This interest-free Grace Period does not apply to Cash Advances. We charge interest on Cash Advances as described in the “**Interest on Cash Advances including Balance Transfers, Cash-Like Transactions and TD Visa Cheques**” section.

How We Calculate and Charge Interest

Interest is calculated at the applicable annual interest rate(s), as initially shown in the Disclosure Statement.

If interest applies, we calculate interest as follows:

- add the amount you owe each day in each Transaction category (for example, the amount of Purchases or Cash Advances) and divide that total by the number of days in your statement period (usually 30 or 31). This is your average daily balance for the amount you owe in each Transaction category (the “Average Daily Balance”).
- multiply the Average Daily Balance by the daily interest rate(s) that applies (the daily interest rate(s) is equal to the annual interest rate(s) divided by 365 (or 366 in a leap year)); then multiply the result by the number of days in your statement period.

The total is the amount of interest we charge on each statement on the last day of your statement period.

If different daily interest rate(s) apply to the Average Daily Balance, we use the different daily interest rate(s) in our calculation (for example, a promotional interest rate Balance Transfer will use a different daily interest rate than your regular Purchases).

If interest is charged, we charge it on any amount you owe from the transaction date until that amount has been paid in full.

We do not charge interest on interest.

If we do not receive the Minimum Payment within 30 days from the Payment Due Date shown on your statement then:

- a) The annual interest rate(s) that applies to the Account will go up 5%; and**
- b) You will lose the benefit of any lower rate promotional offer on the Account (including any offer made but not yet accepted by you).**

The increased rate(s) will apply starting on the first day of your next statement period after the 30 day period from the missed payment. You will continue to pay these higher interest rate(s) until you have paid the Minimum Payment on or before the Payment Due Date shown on

your statement for twelve consecutive statements and then, your regular annual interest rate(s) will apply starting on the first day of your next statement period after those twelve consecutive statements.

Interest on Cash Advances including Balance Transfers, Cash-Like Transactions and TD Visa Cheques

We always charge interest on Cash Advances from the transaction date of the Cash Advance until the amount of the Cash Advance is paid in full. When you transfer funds from the Account through a Balance Transfer, obtain a Cash-Like Transaction or use a TD Visa Cheque, we treat that Transaction as a Cash Advance. If you are uncertain whether a Transaction will be treated as a Cash Advance, please call us at 1-800-983-8472 or collect at (416) 307-7722.

8. FOREIGN CURRENCY TRANSACTIONS

If you use the Account to make Purchases or obtain Cash Advances in U.S. Dollars, Euros, Great British Pounds, Australian Dollars, or Mexican Pesos, the foreign currency will be converted directly to Canadian Dollars before it is recorded in the Account. If you use the Account to make Purchases or obtain Cash Advances in any other foreign currency, the currency will be first converted to U.S. Dollars and then to Canadian Dollars before it is recorded in the Account. Credits to the Account involving a foreign currency will also be converted directly to Canadian Dollars, or first to U.S. Dollars and then to Canadian Dollars, depending on the foreign currency involved as set out above.

For debit Transactions, currency will be converted by applying a rate established by VISA plus a fixed percentage as shown in the Disclosure Statement. For credit Transactions, currency will be converted by applying a rate established by VISA minus a fixed percentage as shown in the Disclosure Statement. As a result, for credit Transactions made in respect of prior, related debit Transactions, the Canadian Dollar amount credited to the Account will in most cases be less than the Canadian Dollar amount that was originally debited to the Account. The rate that is used will be the rate on the date that a Transaction is recorded in the Account and may be different from the rate in effect on the date of the Transaction.

When we convert a Transaction, in some cases it will appear on your statement displaying only the first five decimal places after the decimal point, even though we used the more detailed calculation above.

9. STATEMENTS

We provide a statement if there is any activity on the Account during the last month or there is any outstanding Balance. However, if during any three-month period, there is an outstanding credit Balance on the Account that is less than \$10 *and* there has been no activity on the Account during that three-month period, we may provide a statement only at the end of that three-month period. We do not always provide statements on the same date in each month, therefore the Payment Due Date on your statement may not always be the same.

You must immediately review each statement and tell us about any errors. We will investigate errors that you tell us about within 30 days of the statement date.

If you do not tell us about errors within 30 days of the statement date, we will consider the statement, every item on it and our records to be correct (except for any amount that has been credited to the Account in error). This means that you may not make any claim against us *after* that 30 day period.

10. HOW WE COMMUNICATE WITH YOU

We will send statements and other communications by ordinary mail to the address in our records for the Primary Cardholder. With the Primary Cardholder's consent, and if we agree to do so, we may also send statements and other communications by another method, including electronically. We may also send copies of the statements and other communications to an Authorized User if requested to do so or required by law. The Primary Cardholder and each Authorized User agrees that we can share the statement, any information on the statement or other communications or information about the Account with any Cardholder without telling the other Cardholders. We consider communication to the Primary Cardholder as communication to all Cardholders.

You must tell us immediately about any address change or other information to keep our records current. We are not responsible if the Primary Cardholder does not receive a statement or other communication if we send it to the address or other contact information we have in our records. For our mutual protection, we may record telephone calls that relate to the Account.

If there is fraud or potential fraud on the Account, we may send you communications by telephone, mail, email, SMS text message or any other electronic communication method.

11. LOST OR STOLEN CARDS

You must tell us immediately by telephone or in writing if you know or suspect that a Card is lost or stolen, or if you know or suspect that your Card or the Account is being used without your authority. Our toll free number is 1-800-983-8472, or collect at (416) 307-7722. Once you have told us that your Card or Account is lost, stolen or used without your authority, we will be able to prevent use of that Card and the Account number.

12. MAKING PAYMENTS

We must receive payment on or before each Payment Due Date shown on the statement. Payments to the Account can be made at any time. Payments made by mail or at the branch, ATM or online banking service of another financial institution may take several days to reach us. You are responsible to make sure that your payment is received by us on or before the Payment Due Date. If a payment is made during our normal business hours we treat it as made on the same day, otherwise we will treat the payment as received by us on the next business day.

13. HOW WE APPLY PAYMENTS

We will apply payments on the Account first towards your Minimum Payment in the following order:

- 1) first to any interest that appears on your statement;
- 2) second to any fees that appear on your statement;
- 3) third to any Transactions that appear on your statement, including any amount that exceeds your Credit Limit or any past due amounts;
- 4) fourth to any fees and other Transactions that do not yet appear on your statement

In any of the above categories 1 to 4, the amounts with the lowest interest rate(s) are paid first before those with higher interest rate(s).

If you pay more than your Minimum Payment, once we have applied the payment to the Minimum Payment, we will then apply any excess amount to the remaining Balance on your statement, as follows:

- i. All items that have the same interest rate(s) will be placed into the same category. For example, if your Balance is made up of Purchases and promotional Balance Transfers, then all items at your regular interest rate for Purchases are placed in one category and all promotional Balance Transfers are placed in a different category because of the different interest rates that applies to each of them.
- ii. We will then apply the excess payment to the different interest rate(s) categories in section (i) above, in the percentage (%) the amount in each category represents to the remaining Balance. For example, if the amount of your Purchase category represents 70% of your remaining Balance and the amount of your promotional Balance Transfer category represents 30% of your remaining Balance, we apply 70% of your excess payment towards the amount of the Purchase category and 30% of your excess payment towards the amount of your promotional Balance Transfer category.

If you pay more than your Balance on your statement, we apply the excess amount of your payment to Transactions that have not yet appeared on your statement, in the same way as we have described above for payments to the remaining Balance.

We can apply late or partial payments that we receive without losing any rights we have under the Agreement or by law, to collect all amounts that are owed to us on the Account.

14. OUR RIGHTS IF YOU DO NOT FOLLOW THIS AGREEMENT

If you do not make the minimum payment on or before the Payment Due Date on your statement, or otherwise do not follow this Agreement, or if anything occurs which causes us to believe that you will be unable to make a payment or otherwise not be able to follow this Agreement:

- a) we may require you to pay the entire Balance on the Account immediately, *plus* interest on that Balance at the annual interest rate(s) on the Account at that time;

- b) we may, without notice, deduct money from any other account that you have with us or any of our affiliates which would include any member of the TD Bank Group, and use it to pay the amount that is owing to us; and
- c) you must pay all our legal expenses on a solicitor and own client basis (including legal fees of our internal counsel) for attempting to collect what is owing to us).

15. PAYMENTS AND CREDITS

If we owe you any amount on the Account (a “credit Balance”) we will not pay you interest on that credit Balance. A credit Balance will not be insured as a deposit. A credit Balance on the Account will not increase your Available Credit or Credit Limit.

We are not responsible if you cannot access funds from the Account or a credit Balance. You must not deposit a cheque or other item to the Account to obtain a Cash Advance or otherwise use the Account if you have any reason to believe that the cheque or other item will not clear.

16. OWNERSHIP OF CARD

The Card is our property. We can cancel or take the Card back or require you to return the Card to us at any time.

17. RESPONSIBILITY FOR SERVICES

If you have any problems with Purchases on the Account, you must settle them directly with the merchant. You must still pay us the full amount of the Purchase, even if you have a dispute with the merchant.

If a merchant gives you a refund and we receive a credit voucher from the merchant, we will credit the Account with that refund. But, if interest is charged on a Transaction that you are disputing with the merchant, we will not refund the interest charged. We do not treat credits from merchants as payments.

We are not responsible for benefits, services and coverages that other companies provide for the Account. You must pay us any amount charged to the Account for these benefits, services and coverages. These benefits, services and coverages have their own terms set by the companies providing them. You must settle any disputes directly with those companies.

If we credit the Account, you agree that your rights and claims are assigned to us and you will cooperate with us and sign any documents to evidence that assignment before we credit the Account. However, we do not have to credit the Account and if we do credit the Account, it does not mean we will credit the Account in the future.

18. ELECTRONIC SERVICES – USE AND PROTECTION OF A CARD, PIN OR PASSWORD

This section applies when you use a Card or the Account including if we allow you to access or use the Card or the Account with a personal identification code such as a Personal Identification Number (**PIN**) or Connect ID, password, pass code or identification code or other credentials (all together the **Password**), through a terminal, including

one that accepts contactless payment cards, or other machine such as an ATM, telephone, the Internet, or other electronic service including a mobile device.

- a) For access to or use of the Account through EasyLine[®] telephone banking, EasyWeb[®] Internet banking, mobile banking or to make electronic bill payments - the Bank's Financial Services Terms applies if the Cardholder has signed a Financial Services Agreement, or the *Cardholder and Electronic Financial Services Agreement* applies if the Cardholder has not signed a Financial Services Agreement.
- b) Care and control of the Card, PIN and Password — You are responsible for the care and control of the Card, PIN and Password. You must maintain them safely at all times. This includes that you must:
 - keep possession of the Card;
 - keep your PIN and Password separate from the Card;
 - keep your PIN and Password strictly confidential;
 - take all reasonable precautions to make sure that no one finds out your PIN or Password, including while you key in your PIN or Password at an ATM or other machine or mobile device;
 - avoid PIN or Password combinations that may be easily guessed by others, such as birthdays, phone numbers, age, social insurance number, etc.;
 - make sure that each PIN or Password is unique; and
 - contact us immediately if your Card is lost or stolen or your PIN or Password becomes known to any other person other than you.
- c) Your responsibility for use of the Card, PIN and Password — You are responsible for all authorized activity or other Transactions resulting from use of the Card or PIN or Password by any person, including any entry error or fraudulent or worthless deposit at an ATM or other machine or device. When you promptly tell us that your PIN, Password or Card is lost or stolen or may have become known to an unauthorized person, we will block the use of the Card, PIN or device, to prevent use of your Account number. See the **“Unauthorized Transactions”** section for your responsibility for unauthorized Transactions.
- d) Account activity — Our records are the final proof of use of a Card or the Account, including electronic services. They are evidence of your written request to perform a Transaction. Even if you are provided with a Transaction receipt or other confirmation, through an ATM or other machine or device, the following still applies to all Transactions or other activity on the Account:
 - our acceptance, count and verification of Transactions or deposits is deemed correct and binding unless there is an obvious error; and
 - Transactions or other activity on the Account through an ATM or other machine or device may be credited or debited by us to the

Account on a date determined by us. This date may be different than the date on which you used the ATM, or other machine or device.

- e) *Verified by Visa* — You must register for and use the *Verified by Visa** program in order to access or use the Account for Internet transactions with merchants participating in the *Verified by Visa* program. The *Verified by Visa* Cardholder Terms of Services applies when you access or use the Account for the *Verified by Visa* program.

19. LIMITS ON OUR DAMAGES

We are not responsible for any damages (including special, indirect or consequential damages) from:

- any failure, error, malfunction or inaccessibility of any Card, ATM, terminal or other machine or equipment including a mobile device, or
- if, for any reason your Card is not accepted, or you cannot use the Account for any reason, even if we knew that damage was likely or the damage was a result of our negligence or the negligence of our employees, agents or representatives.

20. PRE-AUTHORIZED PAYMENTS

The Primary Cardholder is responsible for all pre-authorized payments (**PAPs**) charged to the Account. This includes PAPs charged to the Account before the Agreement is cancelled or after the Agreement ends, or charges by any Authorized User, or those that are made after an Authorized User Card has been cancelled, unless the merchant receives a written request from you to cancel the PAP before the PAP is charged to the Account.

You must contact a merchant in writing if you want to cancel any PAP and then check the statement to confirm the PAP was cancelled. If the PAP was not cancelled, we may be able to assist you if you provide us with a copy of the written cancellation request you sent to the merchant. You must provide merchants with adequate, correct and up-to-date information for any PAPs, including if your Card number or Card expiry date changes. However, if you have a PAP with a merchant and your Card number or Card expiry date changes, you agree that we may, but we are not required to, provide that merchant with your new Card number or Card expiry date including by using the updating service provided to us through your Card's payment card network. We are not responsible if any PAPs cannot be posted to the Account. You must settle any dispute or liability you may have for the Transactions relating to those PAPs directly with the merchant involved.

21. CANCELLING AUTHORIZED USER CARDS

We may cancel an Authorized User Card, or limit access to the Account by an Authorized User Card at any time without telling you in advance. The Primary Cardholder can also tell us to cancel any Authorized User Card. The Primary Cardholder must obtain and destroy the Authorized User Card or confirm that the Authorized User Card is in the Primary Cardholder's possession. An Authorized User may also instruct us to cancel their own Authorized User Card.

The Primary Cardholder is still responsible to pay us for any amounts owing on the Account for Transactions by an Authorized User even if an Authorized User Card is cancelled or if the Primary Cardholder is unable to cancel, obtain or destroy the Authorized User Card.

22. CHANGES TO THIS AGREEMENT AND THE ACCOUNT

(a) Fee Changes

Your regular annual fee, annual interest rate(s), fees and other charges for the Account are shown on the initial Disclosure Statement. We may increase your annual fee, annual interest rate(s), fees or any other charges for the Account, and if we do, we will provide you with advance notice as required by law.

(c) Advance Notice of Changes

Each of the changes set out above in *subsection (b) All Other Changes* is referred to in this Agreement individually as a “**Change**” and collectively as the “**Changes**”.

If we make a Change, we will provide you with advance written notice of at least thirty (30) days before the Change comes into effect (the “**Notice**”). The Notice will be clear and legible and will:

- i. Set out the new clause only, or set out the amended clause as well as the clause as it read formerly;
- ii. Provide the date when the Change comes into effect; and

You may refuse the Change and cancel the Agreement by informing us no later than 30 days after the Change comes into effect. If you do this, you are still required to pay any Balance owing on the Account at the time of cancellation but such Balance owing will not include any changes, charges or fees that were applied as a result of the Change. This *subsection (c) Advance Notice of Changes* does not apply to *subsection (a) Fee Changes* above.

We are not required to provide you with advance written notice of any termination of the Agreement, the Account or the Program where such termination is due to your abuse of or non-compliance with this Agreement or the Program, your misrepresentation of any information provided to us, or if you conduct yourself in a manner detrimental to us or the interests of the Account, the Agreement or the Program.

23. TRANSFER OF RIGHTS

We may transfer, sell or otherwise assign all of our rights under this Agreement. If we do so, we may disclose information about you and the Account to anyone to whom we assign our rights.

24. ENDING THIS AGREEMENT

We may end this Agreement, close the Account or limit your right to access the Account at any time without telling you in advance. The Primary Cardholder may also end this Agreement by telling us.

Even if this Agreement is cancelled, the Primary Cardholder is still responsible to pay all amounts owing on the Account.

When the Agreement ends, benefits, services and coverages will automatically end, or we can cancel or change them at our discretion.

25. LIABILITY

The Primary Cardholder will be responsible for payment of all amounts owed to us under this Agreement, including Transactions made by an Authorized User.

26. HEADINGS

The headings to each section of this Agreement are added for convenience and do not change the meaning of any sections of this Agreement.

27. ENFORCEABILITY

If it is found by a court that any portion of this Agreement is invalid or cannot be enforced, the remainder of the Agreement will remain valid.

TD CASH BACK PROGRAM TERMS AND CONDITIONS

Under the TD Cash Back Program (the “**Program**”), we will pay a cash rebate on Purchases charged to the Account (“**Cash Back Dollars**”) as follows:

1. 0.5% in Cash Back Dollars on all Purchases charged to the Account (“**Standard Rebate**”);
2. 1% in Cash Back Dollars on Grocery Purchases charged to the Account (“**Grocery Rebate**”) to a maximum annual amount of \$5,000 in Grocery Purchases; and
3. 1% in Cash Back Dollars on Gas Purchases charged to the Account (“**Gas Rebate**”) to a maximum annual amount of \$5,000 in Gas Purchases.

Cash Back Dollars are also earned on PAPs set up on the Account as follows:

1. 1% in Cash Back Dollars on PAPs (“**PAP Rebate**”) to a maximum annual amount of \$5,000 in PAPs.

All fees, Cash Advances (including Balance Transfers, Cash-Like Transactions or TD *Visa* Cheques), interest charges, optional services, refunds, rebates or other similar credits do not earn Cash Back Dollars.

“**Grocery Purchases**” means a Purchase of groceries or grocery items, including those at grocery locations, from a merchant classified through the *Visa* network with a merchant category code (“**MCC**”) that identifies the merchant in the grocery category.

“**Gas Purchases**” means a Purchase of gas or gas station services or products from a merchant classified through the *Visa* network with an MCC that identifies the merchant in the gas category.

Please contact TD if you wish to confirm the MCC that applies to a particular merchant, or if the Purchase qualifies as a Grocery Purchase or a Gas Purchase. If you have earned Cash Back Dollars on the maximum annual amount of Grocery Purchases or Gas Purchases charged to your Account (from January 1 to December 31) or if your Purchase does not qualify as a Grocery Purchase or a Gas Purchase, you will instead earn the Standard Rebate of Cash Back Dollars that applies to all other Purchases charged to the Account as described above. Each of the Grocery Rebate, the Gas Rebate and the PAP Rebate is in place of and not in addition to the Standard Rebate of Cash Back Dollars earned on all other Purchases charged to the Account.

The Primary Cardholder or an Authorized User, can redeem any Cash Back Dollars that are payable as follows.

By Credit to the Account (on request at any time or annually): The Primary Cardholder or an Authorized User may redeem the Cash Back Dollars by instructing us to credit it to the Account: (i) at any time provided the amount of the Cash Back Dollars at the time of the request is a minimum of \$25.00; or (ii) on an annual basis (with no minimum required amount). If the annual redemption selection is made, the Cash Back Dollars will be credited by us to the Account each January of the following year and will be calculated by us based on the amount of the Cash Back Dollars earned and not redeemed in the prior annual earnings period (January to January) ending on the billing date or the next business day if the billing date is a Saturday, Sunday or holiday in Canada. If no request to redeem the Cash Back Dollars (either annually or at any time) is made, then the Cash Back Dollars will continue to accrue until a redemption selection is made.

In order for us to act on any redemption instructions and credit the Cash Back Dollars to the Account, the Account must be open and in good standing and the Primary Cardholder must not be in default under this Agreement.

We are entitled to rely on the first set of redemption instructions that we receive, either from the Primary Cardholder or an Authorized User, and our electronic time-keeping methods will be definitive in determining the time and date of receipt by us of any redemption instructions.

Cash Back Dollars – Other Redemption Options

We may let you redeem Cash Back Dollars in other ways (“**Other Redemption Options**”) including towards items such as merchandise and services (“**Merchandise**”). If we do, you will agree to the additional terms and conditions that will apply to that Other Redemption Option (“**Additional Redemption Terms**”) in addition to these TD Cash Back Program Terms and Conditions. Merchandise is provided by external suppliers and we are not responsible or liable for Merchandise. We have no obligation to provide Other Redemption Options and we may cancel or change any Other Redemption Options that we do provide at any time in our sole discretion.

Cash Back Dollars Balance

We will provide you with the Cash Back Dollars balance (the “**CBD Balance**”) within the monthly statement for the Account. You must

promptly and carefully examine the CBD Balance and tell us in writing of any errors in the CBD Balance. In the event of an error, our only responsibility is to correct the error. If you do not tell us about an error within thirty (30) days of the statement date of the monthly statement for the Account, the CBD Balance will be considered correct and you may not afterwards make any claim against the Bank relating to your CBD Balance. However, we can adjust the CBD Balance on the Account at any time.

Cash Back Dollars Expiry and Account Closure

Cash Back Dollars will not expire as long as the Account remains open and in good standing and, this Agreement has not ended.

In the event that we end this Agreement or close the Account for any reason, the Cash Back Dollars in the CBD Balance as of the date the Agreement is ended or the Account is closed will expire immediately at our sole discretion.

If the Primary Cardholder ends the Agreement or closes the Account ("**Account Closing**"), the Primary Cardholder must first apply any Cash Back Dollars in the CBD Balance as of the Account Closing date towards any Account Balance until the Account Balance is paid in full. Once the Account Balance has been paid in full, if there are any Cash Back Dollars remaining in the CBD Balance, then a Cardholder has 90 days from the Account Closing date to redeem the Cash Back Dollars in the CBD Balance as follows:

1. If the amount of Cash Back Dollars remaining in the CBD Balance is \$25 or more, a Cardholder may:
 - a. Redeem the Cash Back Dollars for Other Redemption Options; or
 - b. Ask us to send a cheque for the full amount of the Cash Back Dollars.
2. If the amount of Cash Back Dollars remaining in the CBD Balance is less than \$25, a Cardholder may only redeem the Cash Back Dollars for Other Redemption Options.

Cash Back Dollars that are not redeemed as set out above within 90 days of the Account Closing date will expire and be forfeited.

If we offer Other Redemption Options which allow you to purchase Merchandise, the Additional Redemption Terms that will apply may require that if the cost of the Merchandise is more than the Cash Back Dollars in the CBD Balance, then the difference must be paid using a TD Credit Card.

Cash Back Dollars and Product Transfers

If the Account is in good standing and the Primary Cardholder transfers to another TD Cash Back Credit Card (the "**New Cash Back Card**") we will transfer the CBD Balance to the New Cash Back Card. If the Account is in good standing and the Primary Cardholder transfers to a TD Credit Card that is not a TD Cash Back Credit Card (the "**New Credit Card**") then within 90 days of the transfer the Primary Cardholder must either:

- a. Credit their New Credit Card with any Cash Back Dollars in the CBD Balance as of the date of the transfer; or
- b. Redeem any Cash Back Dollars in the CBD Balance as of the date of the transfer for any Other Redemption Option.

Cash Back Dollars will expire and be forfeited 90 days after the date of transfer. We can delay the expiry of Cash Back Dollars and that delay will not set a precedent for any future Cash Back Dollars expiry.

Cash Back Dollars – Taxes

Payment of any taxes related to the Cash Back Dollars is the sole responsibility of the Primary Cardholder.

Cash Back Dollars on Divorce/Separation

Cash Back Dollars cannot be divided or transferred in the event of separation or divorce.

Cash Back Dollars on Death

Once the Bank is notified of the death of the Primary Cardholder, the Bank will apply any Cash Back Dollars in the CBD Balance as of the date of death of the Primary Cardholder towards any Account Balance until the Account Balance is paid in full. Once the Account Balance has been paid in full:

- i. If there are any Cash Back Dollars remaining in the CBD Balance and the Bank was notified of the Primary Cardholder's death within 1 year of the date of death, then the Bank will send to the executor or trustee of the Primary Cardholder's estate, a cheque payable to the Primary Cardholder's estate for the amount of the remaining Cash Back Dollars.
- ii. If there are any Cash Back Dollars remaining in the CBD Balance but the Bank was notified of the Primary Cardholder's death more than 1 year after the date of death, then any Cash Back Dollars remaining in the CBD Balance will be forfeited.

Interpretation

We will be the final authority on the interpretation of all rules, regulations, procedures, terms, conditions, restrictions and benefits of the Program as outlined in this Agreement.

Changes and Amendments

We may make a Change to the Program in accordance with Section 22 — **CHANGES TO THIS AGREEMENT AND THE ACCOUNT.**
