When Your Insurance Coverage Starts

Your Balance Protection Plus insurance coverage starts on the day We receive Your request for enrollment on Your Account.

What You Pay

Your monthly insurance premium is based on Your average daily Account balance. The monthly insurance premium is calculated by applying the applicable Monthly Premium Rate as indicated in the Summary shown at the top of the first page of this Certificate to Your average daily balance to a maximum of \$10,000.

Your Monthly Premium Rate will be reduced on the next statement date after you turn 66. Premiums and any applicable taxes will be:

1. automatically charged to Your Account; and
2. due with Your Account payment.

If the Monthly Premium Rate increases, We will give You at least 30 days prior written notice.

Refund of Premiums While Receiving a Monthly Benefit

Insurance premiums will be charged to Your Account during the entire period of a claim under these coverages. During the entire claim period, a refund in the amount of the premium charged to Your Account as of the Statement Date coinciding with or immediately before Your Date of Loss will be added to each monthly benefit payment and will remain unchanged for the duration of Your claim period. If You continue to use Your Account while on a claim, You will be responsible for paying the insurance premium on any new charges.

What Is The Most We Will Pay

Any benefit paid under any one of these coverages shall not be paid under another coverage for the same occurrence. If You or Your Spouse are eligible concurrently for a benefit payable for more than one insured event covered by this Certificate, the benefit paid shall be limited to the most generous one. You or Your Spouse will therefore be entitled to only one benefit at a time.

There are also exclusions that are applicable to each type of coverage that are explained in more detail later in this Certificate.

In no event, will We pay more than the lesser of the Maximum Amount of Insurance or the Incurred Amount as of the Date of Loss.

...continued from previous

Who We Pay

We will make claim payments directly to TD Bank who will then credit the payments to Your Account. All benefit payments under this Certificate are to be made in Canadian dollars.

Your on-going responsibilities with respect to Your Account

While You are receiving benefit payments, interest will continue to be charged on the outstanding amount of Your Account and premiums will continue to be charged to Your Account monthly. Since the benefit amount payable by Us each month remains the same after the second monthly benefit payment, You may need to make payments to Your Account to cover these charges and minimize the amount of interest charged to Your Account.

You are responsible for the balance on Your Account at all times, regardless of whether You are receiving benefit payments. In addition, this Certificate does not alter, in any way, Your Account cardholder agreement with TD Bank.

When Your Insurance Coverage Ends

All insurance coverage on Your Account automatically ends when the first of the following conditions occur:

1. one or more of the Group Master Policies are cancelled;
2. You die;
3. You request the cancellation of the insurance provided by this Certificate in writing or by phone to Assurant Solutions;
4. the date Your Account has been delinquent for more than 90 consecutive days;
5. Your Account is cancelled by either You or TD Bank;
6. a Critical Illness, a Life or an Accidental Death At 66 benefit has been paid; or
7. the Incurred Amount on Your Account has been paid in full as a result of Your Disability Requiring Hospitalization for a period of more than 30 days.

All coverage available for Your Spouse ends on the date Your insurance coverage on Your Account ends.

All Dismemberment, Total Disability, Disability Requiring Hospitalization, Critical Illness, Involuntary Unemployment Insurance, Loss of Self-Employment Income and Life Coverage will

terminate for You and Your Spouse on the next Account Statement Date after You turn 66. The Life coverage for You and Your Spouse will be replaced with Accidental Death At 66 coverage, regardless of Your Spouse's age.

How To Submit A Claim

In the event of a claim, log on to www.benefitactivations.ca, or contact Us at **1-866-315-9069** for information on completing and submitting a claim. Claim forms should be completed, at Your expense, and sent to Us at Our office shown on the Certificate's "For Claims and Inquiries" section within 90 days of the loss, except for Life and Loss of Self-Employment Income insurance claims. If a claim is otherwise valid, it will be honoured even if the forms are sent to Us after 90 days if it was not reasonably possible to send them earlier. We may ask for additional information, medical evidence or request further examination by a Physician of Our choice.

Your insurance must not have been terminated (refer to the "When Your Insurance Coverage Ends" section for details) and all regular insurance charges must have been paid at the Date of Loss.

When Your Coverage will transfer to another TD Account

If Your existing TD Credit Card is replaced for any reason with a new TD Credit Card, or Your Account is transferred to a new TD Account which is eligible for Balance Protection Plus, Your insurance will be transferred to Your newly issued TD Account. Your initial Effective Date will apply.

Cancellation of Certificate or Policy

We reserve the right to cancel the Group Master Policies. If this happens, We will notify You at least 30 days before the effective date of cancellation, and We will honour all valid claims arising before that date.

Previously Issued Certificates

This Certificate replaces all certificates previously issued under the Group Master Policies.

The Policies and this Certificate

This Certificate contains the terms of the Group Master Policies as they relate to Your coverage. In the case of any conflict or inconsistency between this Certificate and any of the Group Master Policies, unless otherwise required by applicable law, it is the Group Master Policies that govern.

Entire Contract and Changes

The entire contract consists of the Group Master Policies and Your Certificate. The Group Master Policies may be changed at any time without Your consent. No change of the Group Master Policies and no waiver of any of their provisions will be valid unless made in writing and signed by an authorized officer of each insurer. You, or a person making a claim under this Certificate may request a copy of the Group Master Policies and /or a copy of Your application for Balance Protection Plus (which We consider to be either the credit application or the enrollment phone call) by contacting Assurant Solutions at the address below. On request, Assurant Solutions will send You a copy of the requested document.
